Rahul Kumar

Associate Software Engineer @Incture | Full Stack | Java | Spring boot | MERN | NITJ'24
Chandigarh, India

Summary

Innovative with a strong foundation in full-stack development and a passion for creating impactful solutions. Recent graduate from the () , blending academic excellence with hands-on project experience.

:

- : React.js, Next.js
- : Spring Boot, Node.js
- : PostgreSQL, MongoDB, MySQL
- : Docker, Microsoft Azure

:

-

- Comprehensive solution built with Next.js 14
- Features: Role-based access control, Stripe payment integration
- Full-stack application integrating Google Gemini API for content summarization
- Technologies: React, Spring Boot, FastAPI, Docker

:

- Full-stack development expertise (MERN stack, Next.js, Spring Boot)
- Implementation of advanced authentication protocols (JWT, Microsoft Auth)
- Microservices architecture design and implementation
- Database optimization and management
- Application of DevOps best practices

:

- Contribute to innovative and challenging projects
- Solve complex technical problems
- Drive technological advancements within forward-thinking organizations

Passionate about creating user-centric applications and committed to continuous learning in the rapidly evolving field of software engineering. Seeking opportunities to leverage my skills and recent graduate perspective to make meaningful contributions to cutting-edge development teams.

Experience

Incture

9 months

Associate Software Engineer

August 2024 - Present (2 months)

Chandigarh, India

Developing a scalable React.js and Spring Boot application with advanced authentication protocols, enhancing user experience, operational efficiency, and security.

Intern

January 2024 - August 2024 (8 months)

Chandigarh, India

Society Of Mechanical Engineers, NIT-J

Core Member

February 2022 - December 2023 (1 year 11 months)

Jalandhar

Education

Dr. B. R. Ambedkar National Institute of Technology (NIT), Jalandhar

Bachelor of Technology - BTech · (November 2020 - May 2024)
