Top Skills

Next.js

Prisma ORM

Tailwind CSS

Languages

Hindi (Native or Bilingual)

English (Full Professional)

Rahul Kumar

Software Engineer @Incture | Full Stack | Java | MERN | Springboot
Chandigarh, India

Summary

Passionate about creating innovative solutions that combine creativity and problem-solving. Leverage a strong foundation in engineering (B.Tech, Mechanical Engineering, National Institute of Technology Jalandhar) to approach challenges from diverse angles.

:

- Frontend Development (React.js)
- Backend Development (Spring Boot, Node.js)
- Authentication Protocols (JWT, firebase, Microsoft Authentication)
- Full-stack Development (MERN stack, Next.js)
- UI/UX Design (Redux Toolkit, Tailwind CSS)
- API Development (Fast API, REST API)
- TypeScript
- Docker

:

, (-)

- Developing a scalable internal application using React.js and Spring Boot to enhance user experience and operational efficiency.
- Contributing to fortifying system security by implementing advanced authentication protocols (JWT & Microsoft Auth) to safeguard sensitive campus data.
- Collaborating with stakeholders to translate needs into actionable development plans, ensuring project alignment with business goals.

:

- Built a responsive blog website using modern technologies (MERN stack, Redux Toolkit, JWT).

▸ Developed a "Netflix Clone" showcasing expertise in full-stack development (Next.js, Tailwind CSS, Fast API, TypeScript).

Continuous learner with a strong desire to contribute to an organization that values innovation and technological advancement.

Experience

Incture

Software Engineer

January 2024 - Present (8 months)

Chandigarh, India

Developing a scalable React.js and Spring Boot application with advanced authentication protocols, enhancing user experience, operational efficiency, and security.

Society Of Mechanical Engineers, NIT-J

Core Member

February 2022 - December 2023 (1 year 11 months)

Jalandhar

Education

Dr. B. R. Ambedkar National Institute of Technology (NIT), Jalandhar

Bachelor of Technology - BTech · (November 2020 - May 2024)
